

PREFERENCE LIST

Travel means something different to each of our clients. Because we want to provide you with a stylish travel and unforgettable experience on board, we have taken the time to create this preference list, with attention to detail and a sophisticated service that is aligned to your personal requirements. Completion of this document would let us know about the specific likes and dislikes you and your guests may have, and it gives us the opportunity to plan and cater to your individual tastes. Please contact all members of your party before completing this form, as we want to ensure that their favourites are on board as well.

Be mindful that in making every endeavour to have your preferred items on board, sometimes we may be limited by what is available on the places you choose to visit. You are welcome to print this list and complete it by circling your preference. Please, kindly send the scanned list to office@aa-charter.com. If you prefer to fill this list on your computer, please type within the boxes and highlight in PINK the items you PREFER. The document, completed with your preferences, shall be saved and sent as attachment to the email address mentioned above.
